

RCCCAD IT Solution Pvt. Ltd.

Privacy Policy

When you download and use our software, personal data shall be processed by us as the controller and stored for the duration necessary to fulfil the stated purposes and legal obligations. In the following, we shall inform you concerning the data, how they are processed and the rights you are entitled to.

1. Contact data of the controller and the data protection officer

This privacy policy applies to the data processing in connection with the download and use of the RCCCAD IT Solution Pvt. Ltd. software trial versions by the controller.

RCCCAD IT Solution Pvt. Ltd.

C-15, Shivngari Society,

Kothrud, Pune, 411038

India.

Tele. – 91 9881833861

Email – contact@rcccad.com

The data protection officer of RCCCAD IT Solution Pvt. Ltd. can be contacted at the aforementioned address. You can contact our data protection officer directly at any time if you have any questions about data protection law or your data protection rights.

2. Processing of personal data and purposes of processing

a) Creating an RCCCAD account

While downloading the trial version of the apps we collect the following information.

First & Last name

Email address

Country

Company

Apart from the above data, we do not collect any other information.

The purpose of processing the data is to set up your RCCCAD account, to identify you as a user, to be able to contact you in case of technical problems, for marketing purposes and to ensure a smooth user experience with our software products.

You will receive a link by email, which you need to click to download the software from our server. Your email response serves as confirmation that you are the person who issued the registration.

We delete your data stored in the RCCCAD account after 37 months,

b) Software improvement program

When you download and use our trial version on your device, our license improvement program is activated by default. As part of the program, we collect some technical information, which includes in particular:

- information about your operating system, type of the device, IP address of the device.
- information about your regional location, country and geological position (latitude & longitude)

We collect the information to improve our software concerning quality, stability, features, and hardware compatibility. We do not share the information with third parties and do not merge this technical information with the personal data processed in the RCCCAD account. We delete the data collected after 3 years.

If you do not want RCCCAD to collect your technical data, you can deactivate this, at any point, via a key in windows registry.

c) Newsletter

When you download our trial version, we may use your email address, even without your express consent, to send you information about similar products or services offered by our company.

The processing of personal data for direct marketing purposes is a legitimate interest.

It is possible to unsubscribe from the newsletter at any time. Please use the relevant unsubscribe link that is found in each newsletter or send an email to info@sofistik.de. If you have unsubscribed, your data shall be deleted immediately from our newsletter mailing list.

3. Transfer of data

We do not transfer your data any third party except mentioned in the section “b”. Your data like name, email address, company name, country will not be shared with anybody in any circumstances.

4. Data security

We use appropriate technical and organisational security measures to protect your data against accidental or deliberate manipulation, partial or complete loss, destruction, or unauthorised

access by third parties. Our security measures are continually improved in line with technological developments.

5. Timeliness of the Privacy Policy

This privacy policy is currently valid and is dated September 2020. The further development of our software products or changed due to statutory or regulatory requirements, respectively, may make it necessary to amend this privacy policy.
